"Crystal Bridges Museum of American Art welcomes all to celebrate the American spirit in a setting that unites the power of art with the beauty of landscape."

Join us Thursday morning for a trip to the newly opened Crystal Bridges Museum of American Art in Northwest Arkansas. Explore the unfolding story of America by viewing and interpreting outstanding works that illuminate our heritage and artistic possibilities. Surrounded by 120 acres of forests and gardens, Crystal Bridges offers a revitalizing environment for experiencing art and cultural events. The grounds are a place of natural and artistic beauty, equally suited for quiet reflection and exploring with family and friends. Tour cost is \$15 which covers group transportation to the museum, guided tour of Crystal Bridges, and snacks. Bus will depart from the Courtyard Marriott hotel at 8:30am and return at 11:30am.

I will be attending and including the additional \$15 in my registration fee

Fayetteville Greenway Bicycle Trail THURSDAY OPTIONAL TOUR, limited number of bicycles available

Join us Thursday morning for an option bike tour of the Fayetteville Greenway Trail. Spanning 7.6 miles from the north to the south end of town, the Mud Creek, Scull Creek, and Frisco Trails are popular to all walks of life and serve as a unique asset to Fayetteville. Through its Master Trails Plan, The City of Fayetteville seeks to establish alternative modes of transportation and active recreation as an integral part of daily life in the community. Come out and experience first-hand how the greenway trail achieves just that. Bring a bike (and helmet of course) if you have one. Additional bikes are available for use. Please register in advance to reserve your bike. Group will depart from the Courtyard Marriot, which conveniently sits trail side, at 9:30am and will return at 11:00am.

I will be attending and would like to reserve a bicycle

I will be attending and will have my own bicycle
